**NO CONTRACT WILL BE APPROVED UNTIL ALL FEES HAVE BEEN PAID**

**Owner agrees to the following:** Breed the listed mare to the servicing stallion for the specified service fee. Mare must be free from infectious or contagious disease, wormed regularly, vaccinated annually for EWT, strangles and rhinopneumonitis, and certified in good physical and sound breeding condition prior to her delivery to the breeding farm and thereafter during her pregnancy.

**Live Foal Guarantee:** Live foal means the foal shall stand and nurse. It is understood that if the mare proves barren, aborts her foal, or if foal is stillborn, a return breeding will be guaranteed the following year, providing proper notification is given. Proper notification is a written certification by a licensed veterinarian within seven days, that the mare has slipped or produced a non-viable foal. Mare owner verifies that such abortion or death did not result from any act or omission of the owner. Rhino vaccinations, must be administered as directed by the manufacturer as the mare progresses through her pregnancy. There will be no Live Foal Guarantee for any mare leaving Abraham's Equine Clinic, before the mare is deemed safe in foal as per 30-day ultrasound evaluation by the attending veterinarian. \*\* Failure to do this will void the live foal guarantee.

**Rebreeds:** If the mare does not produce a live foal the first breeding season bred, mare owner is entitled to a rebreed the following year after the initial year the breeding fee was paid. Mare Owner will be subject to an additional rebreed fee of \$300, plus any increase in breeding fee and all reproductive costs at Abraham's Equine Clinic.

**Substitute Mare:** In the event of the death or incapacity of the mare, Mare Owner may be allowed to breed a substitute mare to the stallion. The substitute mare must be owned by the Mare Owner, not a third party. A written application of substitution must be made to the stallion owner specifying the name, breed registry, registration number, and ownership of the substitute mare.

**Stallion Owner's Refund Policy:** No refunds shall be required by this agreement. However, in the event the stallion dies, or is unable to breed, Mare owner reserves the right to substitute to another stallion owned by Lucas Quarter Horses, plus any increases in their current breeding fee.

**Genetic Disease:** The breeder shall be held harmless of any horse(s) with genetic diseases (HYPP).

**Color Guarantee:** This contract comes with no color guarantee.

**Breeders Certificate:** This will be issued to Mare Owner after all expenses have been paid in full and upon notification of birth of foal.

**Pregnancy Status:** This must be reported to Lucas Quarter Horses, by September 1<sup>st</sup> of the breeding year, or the mare WILL NOT be listed on the stallion breeding report. If a stallion report must be filed after the deadline for that breeding year, the mare owner is responsible for the late filing fee as well as an addition of a mare the report fee.
